DESI

Go placidly amid the noise and haste and remember what peace there may be in silence. As far as possible be on good terms with all persons. Speak your truth quietly and clearly and listen to others, even the dull and ignorant; they are vexations to the spirit. If you compare yourself with others you may become vain and bitter; for always there will be greater and lesser persons than yourself. Enjoy your achievements as well as your plans.

Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs for the world is full of trickery. But let this not blind you to what virtue there is. Many persons strive for high ideas and everywhere life is full of heroism. Be yourself. Especially do not feign affection. Neither be cynical about love, for in the face of all aridity and disenchantment, it is perennial as the

grass. Take kindly the counsel of the years, gracefully
surrendering the things of youth. Nurture strength of spirit
to shield you in sudden misfortune. But do not distress
yourself with imaginings. Many fears are born of spirit
fatigue and loneliness. Beyond a wholesome discipline be
gentle with yourself. You are a child of the universe no
less than the trees and the stars. You have a right to be
here. And whether or not it is clear to you, no doubt the
universe is unfolding as it should.

Therefore be at peace with God, whatever you con-
ceive Him to be and whatever your labors and aspirations
in the noisy confusion of life, keep peace with your soul.
With all its shame and drudgery and broken dreams, it is
still a beautiful world. Be careful.

Strive to be happy.

DEDICATION

In today's society it is important for people to communicate. It is especially important between the student and teacher. A man at our school who has been able to communicate with his students is Mr. Roy Daugherty. Because of this we are most proud and honored to dedicate our 1969--1970 yearbook to Mr. Daugherty.

Before coming to Golden Mr. Daugherty was Editor at the Golden Transcript. While here at Golden, Mr. Daugherty has taught journalism, English, History and Communications.

At home Mr. Daugherty has two children, Paul--6 and Jeanne--4, and a lovely wife Elaine. Mr. Daugherty is a very out-going man and takes part in golfing, hiking, tennis, and his greatest love of all, photography.

With all of this help to us we find it necessary to show our appreciation. So... This is your yearbook Mr. Daugherty.

"Welcome home, Yanqui."

This was the cry when, Laura Ernest, AFS President, returned from a nine week stay as an American Abroad student in Montevideo, Uruguay. The purpose of AFS money-making projects was to bring a foreign student to GHS in 1970. AFS members celebrated Claude's French Friday and Saturday in January, hosting seventeen foreign AFS students. During the year, Claude Beghin, lived with Marty Shelton. He enlightened GHS students about life in France.

The purpose of F. T. A. is to acquaint interested students with the possibilities of a career in education. The club's activities were many. They thrilled the children at Ridge Home by giving a Christmas party. The members of the club put on a puppet show and entertained the youngsters. Jane Schmidt, the president and Mrs. Struxness, the sponsor, are trying to encourage more students to participate in F. T. A. The club will be planning more events for a widened outlook on the teaching profession.

There are a small group of male students running around our school, clad in maroon jackets with white sleeves and most important of all a big white "G". "G" Club's biggest service is selling pins and tags to the students to promote school spirit. They also set up a Fire Works stand in the summer for the Fourth of July.

KEY CLUB

Key Club has been active this year by sponsoring different events. Although there was no "Sophomore Week" the Key Club made sure the Sophomores didn't feel left out by having them clean up the ditch. The club went on to sell tickets for a turkey chase just before Thanksgiving. At Christmas many homes in the Golden area were decorated with trees that the Key Club had been selling. The Kiwanis Stars of Tomorrow tickets were sold by members of the club who also ushered at the activity. Key Club also taught gun safety. And of course the Kiawanas enjoyed seeing a Key Club member at their meetings every Tuesday Night.

The forensics students have really been moving this year. Under the supervision of Mr. Sharp they have been to many speech meets at places like Jefferson High School, Regis, Aurora Hinkley. They are planning to go to Cheyenne for a Tournament on the 28th of Feb. if they get enough cars. The biggest event however, was the Alamosa tournament with all of the rotten oranges and vasoline (for greasing johns) that the students can find.

COMPETITIVE SPEECH

The Voice of Youth organization emphasizes creative thinking coupled with the definition and expression of ideas and opinions resulting from careful research and study. It is hoped to present some of these ideas to others through television and editorials. An exchange of materials and ideas result from the meetings. The group also learns to listen to other new ideas as well as presenting thoughts or information of their own. The president, Clark Rogers, organized informative meetings on mental health, womens' role in the world, and the service.

DISTRIBUTIVE EDUCATION

The ever popular school store has again been in operation this year by the Distributive Education students. If you've been gaining weight lately you've probably been buying goodies from the store. During Homecoming the club participated in the parade with a float. The DE meetings have mostly been breakfasts at the local pancake house. Members of DECA also were present at the District Conference.

KGHS

Music through the halls and cafeteria, a luxury few schools have, but a luxury which Golden High School is grateful to have.

KGHS started only last spring and now has future plans to broadcast through out the city of Golden under FM Radio.

Mr. Garland is the sponsor of KGHS.

Daredevils get a thrill by riding the bucking bronco provided by the Rodeo Club at carnival.

A new club was formed this year at Golden High School. This new club is Rodeo Club. It was started by a group of students that have a great interest in the Rodeo world. These young people look on Rodeo activities as a sport and are competing with other schools. Future hopes and plans are to have a lettering system go for those who are worthy of it.

ROCK CLUB

The Rock hounds of G.H.S. had an exciting year. November found them in New Mexico looking for rare rodeo specimens. An impropmt snow-storm caused little anxiety, because Mike Dempsey was able to dig everything out with his shovel.

The club displayed their specimens at the Jefferson County Fairgrounds. They have permanent displays in "A" building.

The members have many trips planned and they are selling sandwiches at Speechmeets in order to finance the trips.

MOUNTAINEERING CLUB

Mountaineering Club started the school year with an exciting trip to Beaver Brook. It was on this trip that most of the male members were baptized by a refreshing dunk in Beaver Brook. In Nov. GHSMC suffered a great loss; the sponsor, Mr. Shuckmann, left and went to New York. Before he left there was a Halloween party at the Shuckmann's house where many mountaineers were doused with whip cream. These events will be remembered by GHSMC members as well as placed such as Mr. Sunflower, Massive and Princeton.

The members of the band sold moustaches, planned a series of concerts and sold tickets for them, held a Chile supper, sponsored a Valentines Day Dance, and a basketball game with Dave Costa's All Stars. Mr. Kasmier, said the biggest goal of the band is to prove their musical ability.

TRIDETTES

TRIDENT

This year the trident staff, under the supervision of Mrs. Ortloff for the first of the year and then under Mrs. Dominick; employed a new editorial policy for the newspaper. Nancy Nickerson, editor, said the staff was not concerned so much with the publishing a paper every week as it was concerned with publishing a good paper that everybody wanted to read.

STUDENT COUNCIL

Under the leadership of Mike Babb and his three Musketeers, who in real life are Bob Anderson, Laura Ernest, and Kathy McDermott, Student Council accomplished many things. "Golden Days" took the place of Sophomore week. An impromptu snowstorm took the place of the gay Homecoming Parade. Carnival was an outstanding success as was the drive for Biafral Funds. Student Council opened their exchanges with schools to members of the Student Body. They also revised the dress code to read: Individuals should use their discretion in dress--as long as it complies to the moral and health standards of today.

There were some disappointments, as could be expected, but this year's Student Council attempted to make GHS a better place.

While the seasons record was not exceptionally good, the brand of playing was exciting. The Demon fans have many thrills to remember.

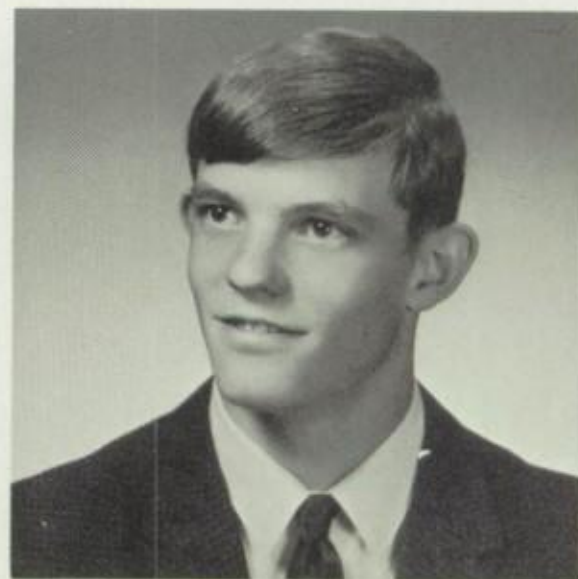

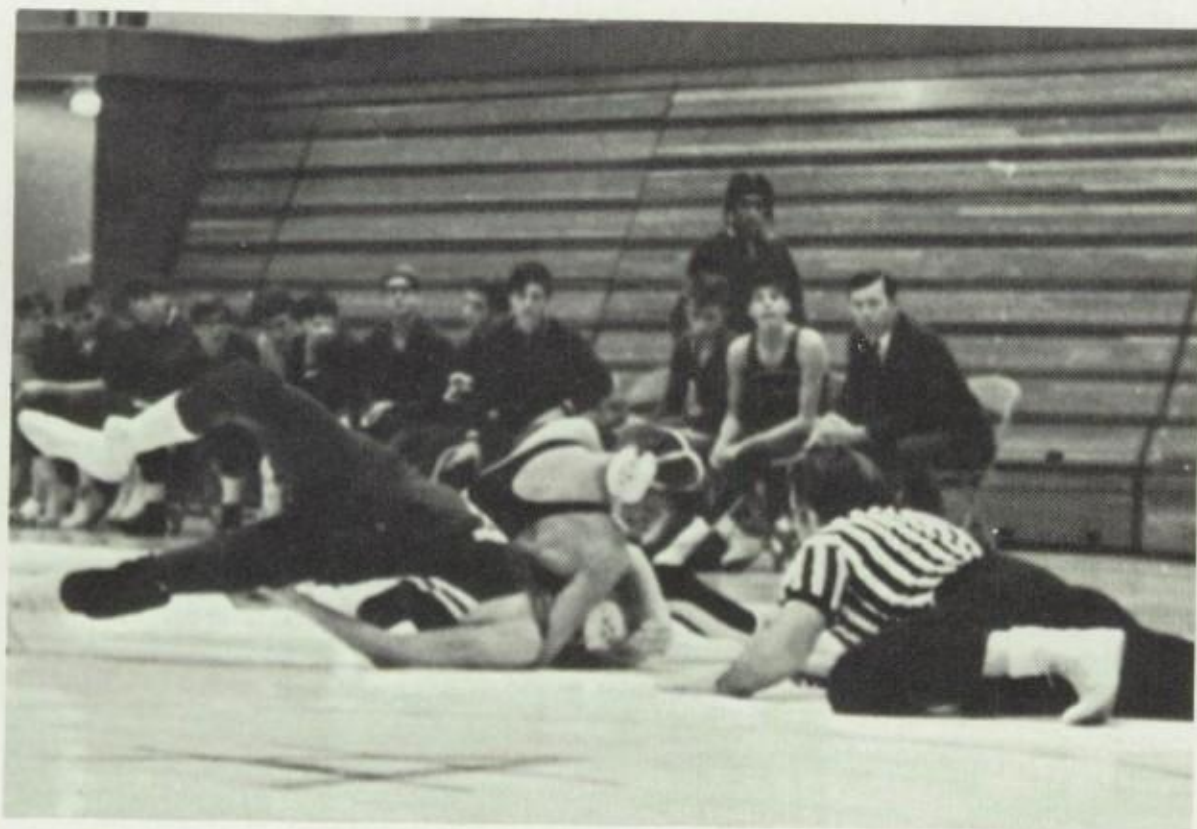

Eric Groswald finished as the third highest scorer in the Jefferson County League. His final appearance in High School play was enhanced by a total of 31 points scored. Craig Schillings and Doug Webster did their best to help the new coach, Lloyd Campbell.

ACTIVITIES

"Go placidly amid the noise
and haste and remember
what peace there may be in silence."

Last summer, Cindy Hogan, Kay Rima, and Debby Munoz were chosen to attend Girl's State, for Golden, held at Temple Buell. They described the purpose of Girl's State as learning a sense of duty towards country, and learning more about our government to become better citizens.

The girls began with sessions, some of which were on Parliamentary procedure, party policy, and forming a party platform. Following the sessions they set up city, county, state, and national governments, and elected a National President, Miss Jill Franklin of Denver.

All of the chaperones were members of the American Legion, with Mrs. Jayce Sager as director.

GIRLS AND BOYS STATE 1969

Rudi Richardson and Phil Hewes were chosen to attend Boy's State this past summer. The purpose, they felt, of Boy's State was to teach the structure of the governments-city, county, and State.

Boy's State was held on the CSU Campus in Fort Collins for the week of June 15th to June 21st.

They had several guest speakers during the week, political science Professor Edward Rosek from CU, who felt the youth of the world should form an organization to bring the world together for the good of all. There was also a man from Czechoslovakia and representatives from the armed forces.

MESA VERDE

The annual Mesa Verde trip this year proved to be something different. Unlike other years the visitors camped outside for the duration of the trip. Everyone gained a greater understanding of an ancient people while they had a good time romping through the Southern part of Colorado.

Jackie Prior freaks out at Carnival.

Carnival this year, held Sept. 27, proved to be the best yet at Golden. More clubs participated and people, young and old alike shared in the fun. Two dances were held. The first for the Jr. High, sponsored by Forensics with music by "Bitter Wind", following was the High School Dance sponsored by A.F.S. with music by "Aphrodite".

There were a variety of booths something for all, ranging from the Pep Club Cake Walk to the Kissing Booth to the G-Club Dunker.

For just a few cents, people could get married, have palms read, or take out all hostilities by splashing people in tubs of water or even electrocuting them.

Dennis Brown and Bill Jennings liven things up with a rousing soft shoe during the play.

SENIOR PLAY

This year's senior play was an exciting melodrama entitled, "No, No, A Thousand Times No!" This magnificent production, filled with shouts and jeers, was matched only by the thrilling half-time performance, supplied by six male members of the faculty.

HOMECOMING

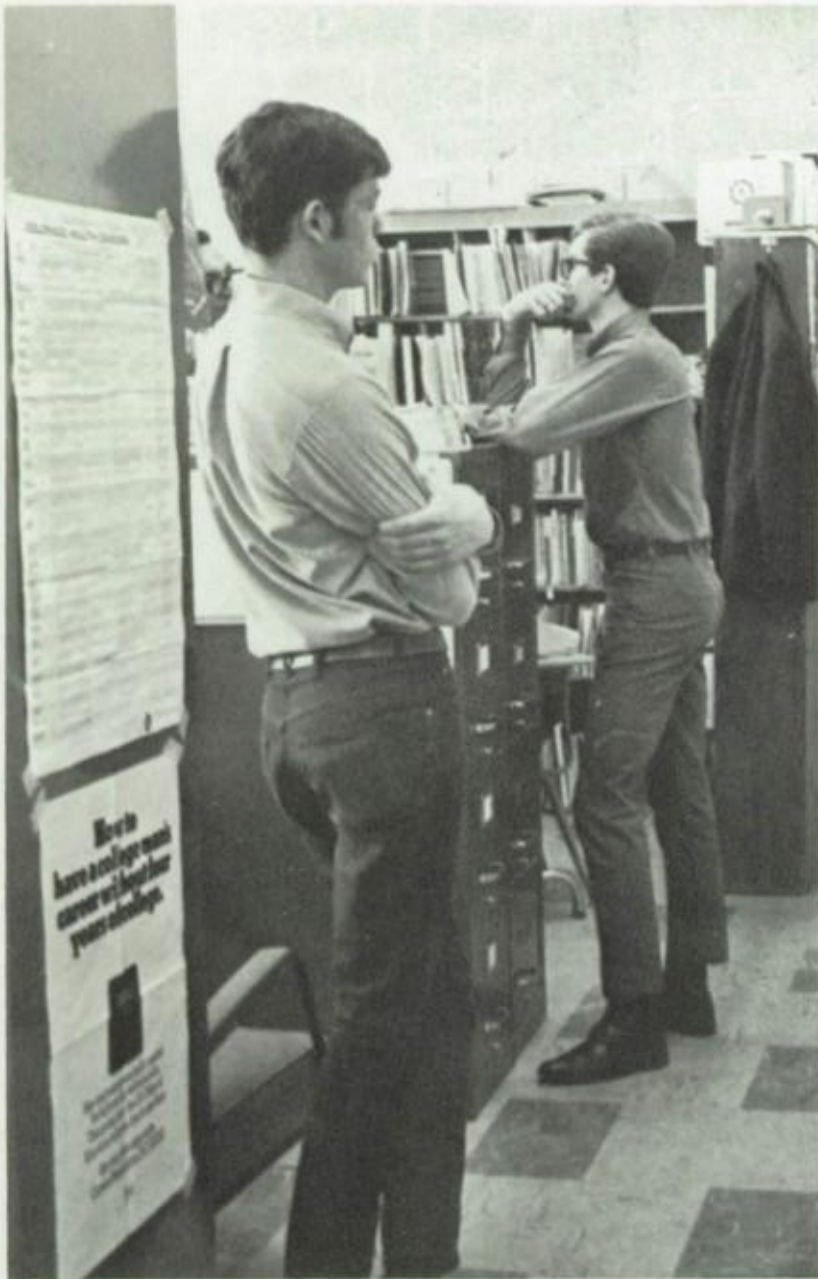

The 1969 Homecoming was a bit different than most. The activities, including parade, game, and dance, were originally scheduled for Nov. 1, but due to a sudden snow storm, the parade and game were canceled, leaving only the dance going on as scheduled. The dance featured the sound of Catherine Mitchell Lord, and the crowning of Queen Cheri James. Miss James attendants were Rhonda Rumbaugh and Patty McNeil, seniors; Mindy Bullock, Junior; and Dawn James, Sophomore.

On Monday, Nov. 3rd, school ended at 12 noon, and homecoming began. The parade left the high school at 2:00 p.m. and marched down main street to Brooks Field. The game, against Evergreen was played in near-freezing weather and ankle deep mud. Because of very poor field conditions, neither team scored.

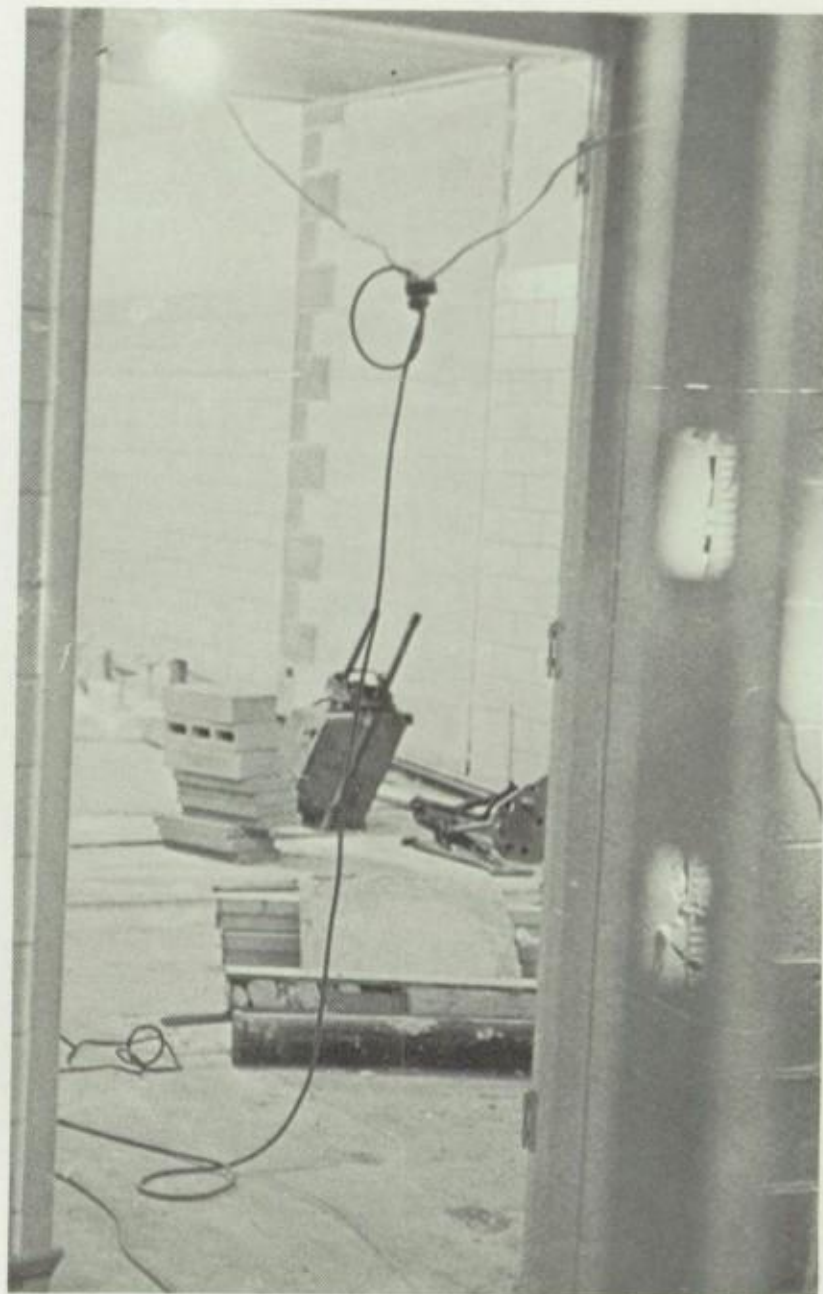

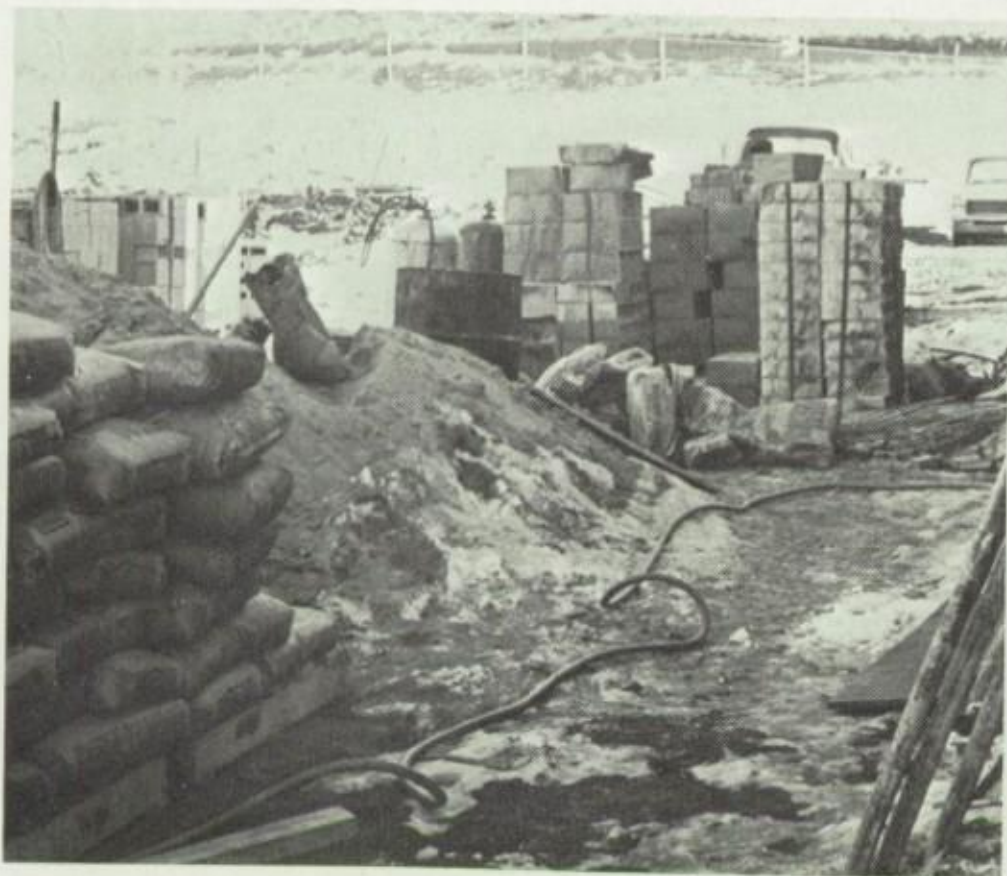

The sophomore float moves on down main street.

CONSTRUCTION

CAUSES CONFUSION

The year 1969--1970 was spent in much confusion. There was many a battle waged over a parking space and much time spent in locating a counselor's office. Many students wandered about, searching for an empty room, one without the sound of a jackhammer. Many times walking into 'A' building one was confronted with the unbearable smell of Wet paint and tar.

However, next year, with the convenience of the new buildings, and more space, all will be forgotten.

CLAUDE BEGHIN

Last August, Claude Beghin came to Golden, Colorado to live with the Hal Shelton Family. He came under the sponsorship of the American Field Service. He lives in Meudon, France with his mother, father and two brothers, Pierre and Phillpe.

Claude was an instant success at GHS. He was on the cross country team, sang in the choir, and was a featured guest columnist for the school paper.

Claude, while adding some French spice, adapted very well to his new home and life in the "Rocking Mountains" of Colorado.

Claude's French Friday and Saturday

On January 16 and 17, seventeen American Field Service foreign students visited Golden. The countries of Japan, England, Belgium, Brazil, Portugal, Italy, Denmark, Sweden, Finland, Iceland, Tunisia, Austria, Uruguay and France were represented.

The students attended classes with their GHS brothers and sisters. They spoke with Golden students during the afternoon. Claude Beghin acted as guide to his foreign peers.

An International Dinner was held Friday evening. Both the Adult and Student chapters brought foreign dishes.

Saturday morning found the students at Coor's and later at an American-type picnic.

Hamburger Anne Hutchinson displayed her skill at the picnic.

We were graduates once...

and we were rebels too, only then we were called pioneers,
and many of us still are.

Any establishment is created for want of something better, and American business (that includes us) is no exception. It's up to new generations to spot inadequacies and to offer improvements. We've been doing it for over 100 years now.

If you have ideas on pollution, conservation, unemployment, poverty and other social/economic/environmental problems, let's compare notes. You might be surprised how much manpower and money we're investing in these areas; and we might be surprised how constructive rebels can be.

So congratulations graduates, and welcome to the (ahem) establishment.

If you do.

Pam,
Good luck!
a good friend who
a nut. we still have
one more year at HS
to have a ball. see ya
this summer. Bob

Pam
you'd be a pretty good kid
if you'd be around school
enough to get to know you.
your OK - except for hitting
me, slapping, kicking ect ect.

Pam -

You're a nigger -
You ought to flunk!
Actually I'm just jealous
cuz I wish I could
always stay out of school as
much you do!
Always remember ole Miss Priest
and you can tell your grand-
children that we had her, too!
They'll probably stuff her
when she's dead & put her in
one of the display windows!
Obviously, this school
can't get with her.
Have a good summer -
DRIVE CAPEFOX!

Rita & Uncle
Kinny

That year has
an almost end! Glad
I got to know ya
better this year
to see you next year!
Remember English!

Pamela,

You a really sweet girl and I hope
that we stay friends forever. I hope
that we see more of each other next
year. Remember all the stupid things
that we used to do. I think we
should take Miss Priest to the
nearest taphidemy and have her
stuffed and put in a wax
museum and put her on display so
that every body should throw clods
at her. I am glad that school is out
finally then comes the miserable
summer because we have to get
stupid you Good Luck

always
